

Mission Team Covenant

A covenant is an agreement between people as to how they will relate to one another. Covenanting is the process by which we openly communicate and understand each other's expectations, needs, and goals. LowCountry Ministries (LCM) enters into this covenant with each individual mission team to ensure the best possible experience for mission participants and the local mission field.

Mission Team: _____ Team Leader: _____

Ministry Location: _____ Ministry Dates: _____

Lodging Location: _____ Orientation Time: _____

Ministry Activities: _____
