

Sum'r Mishnaries

"Sum'r Mishnaries" come to serve
Some quite timid, some with nerve,
Some are ready to do a lot,
Sum'r mishnaries, sum'r not!

Some do best when well directed,
Some are tops when not inspected,
Some like census; some like preachin'
Some for food are always reachin'.

Some talk sweet, some just drawl,
Some say "you'uns," some "you all"
Some seem serious, with no fun allowed;
Some for sure are the social crowd.

But, by and large, great and small
We're glad you came . . . Welcome all!!!
